We learned with devastating certainty on Friday, November 22, 1963, at 1:30 p.m. that the destiny of this nation is directly in the hand of God." Each one of us, then, by his own ethical conduct, will help to protect the lives of our Presidents.

Our Government, nevertheless, has its duty. It should act promptly, prudently, to strengthen the Secret Service and its code of Presidential protection, to pass laws controlling firearms and move vigorously in improving law enforcement at every level. If we do not act, there will be, inevitably, another Black Friday—an afternoon when each one of us dies a little as the life of a President slips away through a mortal wound inflicted by an assassin.

My ethics say we acted right.

We need only one new law. That is an assassin forfeits all protection from our laws when the President is wounded or dies.

Dear Jack -

As your trial is going to start Monday, that is the start of selecting a jury, I wish to convey my prayers & good wishes that you'll come out on top. It is unthinkable that a man who avenged the cold blooded slaying of a man like John F. Kennedy could be dealt any punishment. Every one I ever mentioned you to has expressed the same sentiments. Most said "He did a good job." So don't forget Jack that thousands & thousands of us throughout the 50 states are rooting for you. We want to see the Mc Maghtere rule be the deciding factor and set you free to again walk the streets as the old Jack Ruby a tough gee but a kind hearted guy under a rough exterior. Wishing you the best. Keep your spirits up and take care of your health.

Your friend John W. Tully

And don't forget Jack in Melvin Bellis you
have without a doubt the greatest lawyer
in the country. In my almost 3 score & Ten

and this man you have is without a doubt
the top. In his hands you are safe.

Dear Grand Jack,

It sure was nice to hear from you. I hope this letter finds you in good health.

As you know, or didn't I tell you that I went into Sawtelle Vet Hospital for a prostate operation, Well I stood there two weeks, And I've been back twice in the last 2 weeks. But I think I've got it beat.

About the dog. He just loves to eat everything but food. The only thing he hasn't eaten is the furniture. He sure is mischievous, but I Love him. I named him Shultz. And I Thank you for taking the trouble to see that I get him.

I pray that everything comes out good for you. How is Eve, give her my regards. Do you still have the Cliff or have you disposed of it. I showed your letter to some of the people that use to know you. And they told me to let you know that they wish you well. Jack don't let your spirits drop down. Keep your Faith. And as I said before my friends problems are part of mine. And I pray for the best. With Hope

Dear Mr. Ruby.

Feb-15-64

I hear your trial starts Monday. I am all the way with you. I see you on T V - all the time - One night you were very upset - I cried for you! Dallas should be proud of you - If ever a man had a reason to bail you did - And they also should be very kind to you in jail - after all you did avenge their Brother Officer - My Son is a Sargent Sheriff - And if some louse killed him - I kiss the feet of the one who got his hide -

Mr. Ruby - I am sure you are coming out on top - you will win - But I hate all the worry it causes you. There will never be a jury who will all agree. No - Sirree!

I know you are busy and I don't expect an answer to my letters all I want is your freedom and I know you'll get it.

Do you know when I heard Oswald killed the President - I went crazy myself. I still feel I was half out of my mind - I lone thru the house like a wild woman and the longer I thought about it the crazier I got - I didn't go to bed for days. So I know just exactly what happened to you. I try and rest Mr Ruby and know that God is Love and is with you

To
Mr. Jack Ruby:

Even though I do not know you, because I know God, He has prompted me to write to you.

"For God so loved the world that He gave His only begotten Son that whosoever believeth on Him might not perish but have everlasting life."

Jesus died for all. That means He died for everyone. He died for me. He died for you. And He said, "Whosoever cometh to me I will in no way cast out." You can come to Him and pour out your heart to Him. He will hear you. He is alive forevermore. And He said, "Because I live, ye shall live also." By this He meant that as He is alive after death, so we shall be if we come to Him and receive Him into our life.

The Lord is not willing that any should perish, but that all should come to repentance.

If you in your suffering and need will tell God that you have sinned and need Him to save you and help you, and ask Him to forgive you all sins and come into your life, He will hear you and will do it. Jesus has shed His blood to wash away all our sins. And He will do that for you if you ask Him. He will be your Saviour and save your soul, so no matter what happens to you, you can have peace in your heart, and know God loves you and is with you. And if you take Jesus into your life to be your Saviour, He will give you Eternal Life and you can be God's child, and He will take care of your soul which lives forever.

Without Jesus as Saviour we are lost, and that is worse than any trouble we can have on this earth. But with Him as Saviour the part of us that lives forever is safe because He will keep us.

He is able to save them to the uttermost whosoever come unto God by Him seeing He ever liveth to make intercession for them. That means Jesus is able to save us in extreme needs for He is ever living to pray for us.

Please read the enclosed tracts, they will help you.

We will be praying that you will find peace with God, and find Jesus as your Saviour. That is the best thing that can happen to anyone, anywhere.

Dear Mr. Ruby,

Your nice letter came
last Friday, but I was away for
the weekend and didn't get it
until yesterday.

I am so glad if the few
words I said on the Christmas
card helped you even a little.

I meant every word from
the depths of my heart. I follow
all the news and I really believe,
hope and pray you will soon be
free.

No, I don't live near Balderson

part of N.C. near Boone.

I haven't lived here many
years, though I was born in N.C.

We moved to Akron, Ohio
when I was a child, we lived
there a few years then moved
to Little Falls, N.Y.

Seven years ago I married
a cattle farmer from N.C.

We have a small farm of our own but leased a 700 acre farm so we could raise more cattle.

I usually work in Detroit, Mich. during the winter months, but didn't go this winter - though I wish I had for we have had one of the coldest winters I have ever seen.

We have almost a foot of snow on the ground now, I keep busy feeding Squirrels and little birds.

I didn't mean to write you my life history. Hope I haven't bored you.

May God bless and keep you. Thinking you the best.

Dear Mr. Jack Ruby:

Whatever you are thinking and pondering over there is a few true Americans that is thinking over your trial. Whatever you have done and are doing God Bless you & what you are doing.

Do you realize there is more that is for you in this country than against you. My only son I had had also. F.D.B. started the "March of Dimes" that saved his life. He will turn old the 7th of August of this year. I have read of the March of Dimes. My son lives now a great man. He had the courage that I couldn't afford unless it had not been for F.D.B.

And is for J.F.H. another true American Mr. Ruby have you read the Book & How It was the truth only hurts.

God Bless you and keep you as long
as you live and may it be a long time
you will not be executed as long as I believe

Dear Mr. Bailey,

My name is Edmund and I am 10 years old.
I live in London and I am English.
I like to play football and I like to read.

You may be of a different religion or race, or even
a Christian. I am willing to discuss the matter with you
and hope that you will be able to help me with
this matter.

The first of these is the fact that the population
 of the country is increasing rapidly, and the number
 of people who are able to work is also increasing.

I have been thinking, you know, that
 you must be a very kind person. I hope
 you will be.

The six other men, the other five of whom were
under the same name, were also taken into custody.

Jacob Ruby;

Dear Sir:

I am very sorry for your situation. But you involved yourself in a big public affair and took the laws in your hand and your nationality might be held against you. I became interested in your welfare when Oswald's widow stated he fired a shot at Gen. Walker.

I was wondering if there was anything I could do for you? Could I start a fund for you? or are you well taken care of?

I hope you hold your case clean and true

P.S.

Do you have
Oswald pressure
working against
you?

Yours truly

Jacob Manoyan
